

XProtect Go - ***IP video surveillance starts here!***

XProtect® Go is a free version of Milestone's market-leading XProtect® IP video management software designed for small business installations and video surveillance in private residences. With a wide set of easy-to-use features, XProtect Go lets users explore Milestone's video management software and discover the true benefits of IP video and the Milestone open platform. Seamless upgrade possibilities make XProtect Go a risk-free entry into a reliable and secure IP video surveillance solution.
