Title: Verification AgentVi SavVi

Partner: Agent Vi

Solution: SavVi

Milestone: XProtect 2018 R3

Date: 19/10/2018

Period: 19/10/2021

### Summary of Verification

Agent Vi provided a remote desktop session to Milestone engineers who were provided with a SavVi product demonstration with XProtect® 2018

Additionally, the following formed part of the verification process:

- Architecture diagram showing the test setup
- Documentation describing the setup

### Conclusion

The Agent Vi SavVi products work seamlessly with Milestone XProtect 2018 and provide an extensive analytic platform that brings extra value to Milestone environments through real time situational awareness.

### About the Milestone Verification Program

The Milestone Verification Program is intended to verify the general functionality and compatibility of the partner's solution/product with the Milestone XProtect® video management software (VMS).

The technical setup, configuration, testing and operations are done by the partner and verified by Milestone.

Benefits:

- Milestone endorsement of the solution/product ensures you are choosing a solution that has been checked and verified to be working with Milestone XProtect
- Verification of your solution/product being interoperable and/or optimised for XProtect video management software(VMS)
- Differentiation from non-verified solutions/products, providing a competitive advantage
