Fully Integrated with COLDSTORE Compact - typically uses only 16 watts

---

Simple web browser interface for easy operation

---

Up to 32 channels per COLDSTORE

---

Multiple recording modes – Continuous or motion based, including audio

SYSTEM PLATFORM OPERATING SYSTEM SYSTEM TYPE	Arcus (Milestone embedded NVR engine system). COLDSTORE 3U, COLDSTORE Compact (see COLDSTORE datasheets for more info). Embedded Linux on COLDSTORE. Client-server, with COLDSTORE as the system server.
CLIENT LANGUAGE SUPPORT	Web browser. No plug-ins required, compatible with multiple browsers (Google, Chrome, Chromium, Firefox, Internet Explorer and Safari) and client platforms. UI supports 26 languages, including all key European languages
INSTALLATION CONFIGURATION	Arcus Pre-embedded in COLDSTORE – zero installation required. Automatic – CS Arcus will scan the network and automatically configure the IP cameras, and start recording. System IP configuration and time settings are done through the browser interface.
CAMERA SUPPORT	>1,500 native IP camera drivers for all popular brands, including Axis®, Samsung®, Bosch®, Sony®, Pelco®, ACTi®, Panasonic®, Hikvision®, IQinVision® & ISD® as well as general ONVIF compatibility.
RECORDING	Multiple recording modes, continuous, scheduled or motion-based. Optimised for H.264, MPEG4 and MJPEG codecs. Audio recording available.
MOTION DETECTION	Sensitivity, grid mask, re-trigger delay settings.
CAMERA CHANNELS	Up to 32 x HD channels per COLDSTORE (including Compact). Any number of camera channel keys may be purchased at any time, allowing easy upgrade.
LIVE VIEW	Full screen and multi-view. Multiple cameras from multiple COLDSTOREs may be viewed in a single window. PTZ control of functional cameras included. Remote live view and playback through Milestone Mobile applications (iOS, Android and Windows mobile).
PLAYBACK	Play, pause, stop, fast-forward, rewind, play next or previous file from multiple channels and multiple COLDSTOREs.
EXPORT	Easy export of video clips (including audio) for evidence purposes.
ALERTS	The pre-configured Admin account will be notified on frame loss, cameras offline and specific settings changes made by other users.
SYSTEM UPDATES	Online and offline software system application updates available via the Software Upgrade Plan. Will include additional features/performance enhancements/camera driver updates.
SCALABILITY	For larger systems, COLDSTORE Arcus can be integrated with Milestone's premium XProtect® Corporate VMS via Milestone Interconnect™, providing an extremely cost-effective large-scale solution.
PRODUCT CODES	
ARC-CHL	Arcus channel key.
ARC-5YR	Arcus 5 year upgrade plan.
CSTORE15-3U-D-ARC	COLDSTORE 3U Arcus 15 x 3.5" bay 3U rackmount storage system with embedded Arcus.
CSTORE15-4U-D-ARC	COLDSTORE 4U Arcus 15 x 3.5" bay 3U rackmount storage system with embedded Arcus.
CSTORE8-C-ARC	COLDSTORE Compact Arcus 8 x 2.5" bay desktop/wallmount storage system with embedded Arcus.
