Title: Phelps2020 – Intelligent Video analytics

Partner: Phelps2020

Product: LucidView

Milestone: XProtect 2018®

Date: 05-12-2018

Period: 05-12-2021

### Summary of Verification

Phelps2020 provided a remote desktop session to Milestone where the LucidView with XProtect® 2018 VERSIONS was verified to work.

All products are verified by Milestone Engineers. Phelps2020 provided Milestone with the following for the verification process:

- Use cases
- Screenshots showing enhancement features
- Documentation describing the setup

### Conclusion

LucidView by Phelps2020 is an exciting solution that enhances material from real-world environments, transforming video material into useable images in situations where low-light, contrast, shadows, fog or haze have caused video degradation. Phelps2020 demoed the solution to be working with Milestone Xprotect®

### About the Milestone Verification Program

The Milestone Verification Program is intended to verify the general functionality and compatibility of the partner's solution/product with the Milestone XProtect® video management software (VMS).

The technical setup, configuration, testing and operations are done by the partner and verified by Milestone.

Benefits:

- Milestone endorsement of the solution/product ensures you are choosing a solution that has been checked and verified to be working with Milestone XProtect
- Verification of your solution/product being interoperable and/or optimised for XProtect video management software(VMS)
- Differentiation from non-verified solutions/products, providing a competitive advantage
